

Establishment of IQAC

The **Internal Quality Assurance Cell (IQAC)** was established in the college in **2010** to ensure continuous quality enhancement in academic and administrative processes. The IQAC functions as a central mechanism for planning, guiding, and monitoring quality assurance activities in the institution, with active involvement of all stakeholders.

Objectives

- To develop a system for **continuous quality improvement** in teaching, learning, evaluation, and administration.
- To promote a **learner-centric and outcome-oriented academic environment**.
- To institutionalize best practices and promote a **culture of quality** across the institution.
- To support accreditation and quality assurance initiatives of the institution.

Functions

- Formulation and implementation of **quality benchmarks** for academic and administrative activities.
- Monitoring and evaluation of **academic processes and institutional performance**.
- Collection and analysis of **feedback from stakeholders** for continuous improvement.
- Organization of **workshops, seminars, and quality-related programmes**.
- Documentation and dissemination of **quality initiatives and best practices**.
- Promotion of quality awareness among faculty, staff, and students.

Role of IQAC

The IQAC plays a vital role in strengthening quality assurance mechanisms, supporting continuous improvement, and aligning institutional practices with accreditation standards such as **NBA and NAAC**.
